

**COST Action MP1209 “Thermodynamics in the Quantum Regime” Newsletter
Thursday 7th November 2013**

Contents

- Deadlines
- Events
- New Network Members
- Publications and COST Acknowledgement
- Website Links
- Administrative Information

Deadlines

Call for hosting a small topical meeting - Deadline to respond: **13th Nov**
See attached pdf of the application procedure.

Events

Berlin conference: The Berlin conference dates are 20-24th January 2014.
Registration & talk submission will open shortly on <https://qut.ethz.ch/index.php/cost-conference>. The talk submission deadline is 30th November 2013 and the registration deadline is 15th December 2013.

STSM: Information regarding the third call for STSMs is on the website (<http://qut.ethz.ch/index.php/stsm>). Applications open on the 1st December and the deadline to apply by is 15th December 2013.

New Network Members

The following countries are now network members:

- France – represented by Dr Alexis AUFFEVES;
- FYR Macedonia – represented by Dr Martin LUKAREVSKI.

The following international institutions have joined the network:

- Centre for Quantum Technologies, Singapore and National University of Singapore;
- The University of Tokyo, Japan.

12 individual researchers have also joined the network.

Publications and COST Acknowledgement

Please acknowledge the COST network in your publications on thermodynamics in the quantum regime.

Examples of how to do this can be found here:

<http://qut.ethz.ch/index.php/action/acknowledgement>.

Please email links to your relevant publications to the Webmasters (Lidia del Rio delrio@phys.ethz.ch or Mario Ziman zimanm@itp.phys.ethz.ch) so they can be

referenced on our website (you can use Mendeley for this if you prefer).

Website Links

Please link to the COST network (<http://qut.ethz.ch/>) from your/your group's website.

Administrative Information

Please send any items for inclusion in the next newsletter to Marion Baxter-Sibley (costmp1209@gmail.com).
