

“We are drowning in information, while starving for wisdom. The world will henceforth be run by synthesisers, people able to put together the right information at the right time, think critically about it, and make important choices wisely.”

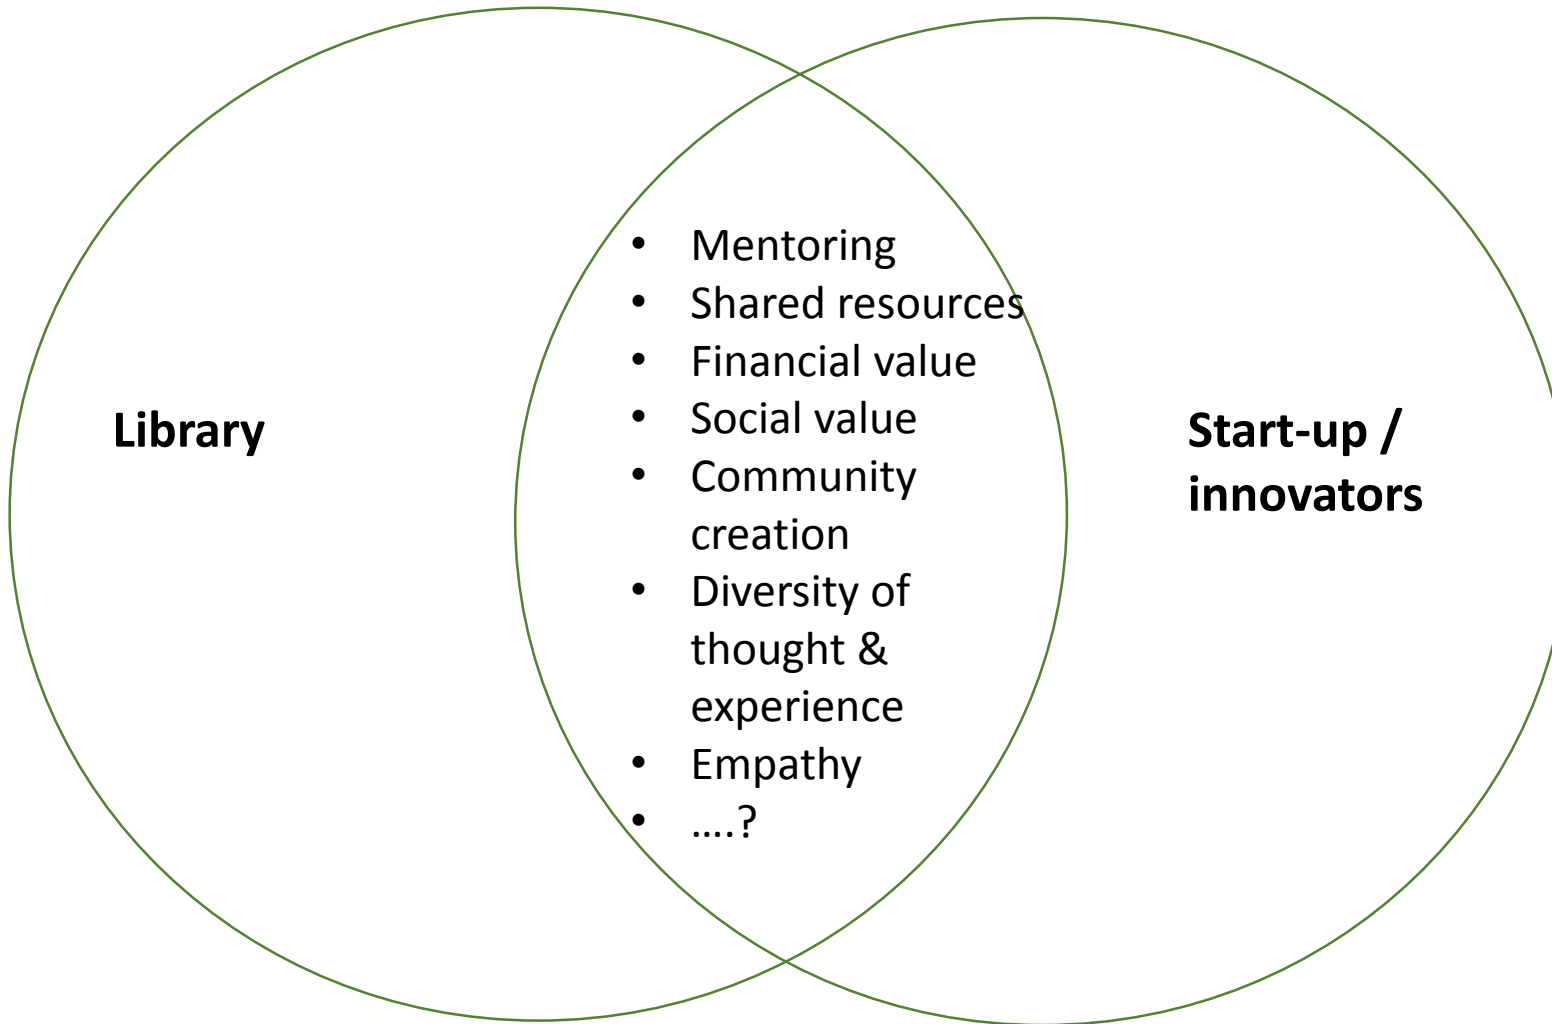

- E.O. Wilson

“The freedom of affluence opposes and contradicts
the freedom of community life.”

– Wendell Berry

The Sandford Principle:

[In National Parks] “Where irreconcilable conflicts exist between conservation and public enjoyment, then the conservation interest should take priority”
